

Lil' Bow Wow, Can I Holla

uh uh uh uh Lil' Steff pop tracks, baby

Its Monday morning I gotta get up and go to school
I wish I could sleep all day and Mom says "You know the rules"
The weekends over seems like school never ends
The only thing that keeps me going I can go and chill with my friends
So I, yes I'm on basketball team and Basketballs my thang
"So lemme get up" and get myself together be on my way, say
I get to school everythings cool I see Shawty
I smiled at her, she smiled back, and it makes my day
so I say...

Can I holla
Would you mind, If I spend a little time
You don't have to be alone, I can call you on the phone
Can I holla, What's the deal
Can I holla, I'm for real
You don't have to be alone
ohhh no

uh Lil' Steff pop tracks, let's go

Every Tuesday, Wednesday, Thursday, Friday later on I'm at the Spot
It's a place where me and my boys go hang and the girls and the music be hot
It's a place where young people go and now we be havin' fun
That's when I seen that shorty from school and I said, "Yo she the one"
It was on and poppin' and there was no stoppin'
The crush that I had on you and wondered if you really knew
So I said...

Can I holla
Would you mind, If I spend a little time
You don't have to be alone, I can call you on the phone
Can I holla, What's the deal
Can I holla, I'm for real
You don't have to be alone
ohhh no

Can I holla
Would you mind
If I bothered you for a minute
Just a minute of your time
Me and you we can kick it
Can I holla (fading) holla holla holla
