

Lil' Bow Wow, Crazy Girls (Interlude)

Yeah the craziest thing a girl has every try to do to me, I'd probably say yo they jumped off the bus to get to me. They were, actually they jumped off like this little cliff matter of fact I think I was in Chicago you know on my bus.

But you know they do alot of things. They try to threw teddy bears at me, they try to kiss me, grab me, grab my Mickey Mouse chain. I almost lost that so many times.

But you know that's how it is when you when you live like me, when you live like I do, that kinda stuff happen.
