

Lil' Bow Wow, Do You

(Fans chant) Bow Wow

Uh huh uh huh

106 & Park ain't been the same since I had so I'm back at it
Freeze
Still the juvenile at 400 degrees
Lil girls still fallin out
I'm still ballin
Crawlin out the hottes b's on these ATL streets
From the garden to the box office
I shuts down both
And it don't matter where I go
I'm still O-H-I-O
Erbody know this is my turf
Who had it crunk first
And had girls at all ages off one verse
You
And nobody else can name
Another 17 year old mane
That do it this hard so hard
That's what them old niggas say about me
Young niggas play can't go a day without me
If the bling was a drug
I'd die from an overdose
Fresh princes sugar loaf
Homie I'm the most you've seen
I got the same affects on both coasts
And erthing hot on 4 wheels
Homie I'm ghost

(Chorus:)

Do you
Stop tryin to be me
Stop tryin to be he
Stop tryin to do what you see
Do you
'cause this right here is mine lil homie
Go back to where you came from and get your own lil homie
Do You
It's so so sloppy and teh fans know a copy when they see one
I would never wanna be one
Do you
As long as it sound right
Erbody in town like it don't worry bout nobody else
Do you

(Verse 2)

Not just the rap agme
the whole industry the same

Erbody wanna sound and look like the next mane
But I'm definite there ain't another me
And I'm so so def'n it
BACK wit JD
Back to give these lil immatators
Somethin to talk on
Breath stretch let it go
Homie get your walk on
Black Beat Teen People
Can't forget Right On
Alot of things changed since the young don's been gone
Who else you gon rol wit

The future is me
Only young'n that's movin units
Is um... me
Young Ali
Float like a butterfly
Get up out them stores quick
Why wouldn't you wanna buy
The carbon copy not the copy
Immatators mimic but them guys is sloppy (laughs)
As for me I'm the leader of the new school
I can just adjust so the rest of yall just
do you

(Chorus)

(JD Talking)

See
It's rare that you are people like us
Erbody out there doin what I'm doin
Or tryin to do what I'm doin
But you can't man
At one point in your life
You gotta get in your own lane
And stop swervin in mine
See
What I do i do my way
What about you huh
Huh can you say that

Do you
Stop tryin to be me
Stop tryin to be he
Stop tryin to do what you see
Do you
'cause this right here is mine lil homie
Go back to where you came from and get your own lil homie
