

Lil' Bow Wow, I'll Move On

(Mario:) uh huh, yeah yeah, bow wow mario,yall ready

(Chorus) I'll move on

Here I live by, knowing I don't like whats on the table
Looking at my life, doing whats right because I'm able
learning lessons, while protected, feeling gradel
I'll move on

Here I live by, knowing I don't like whats on the table
Looking at my life, doing whats right because I'm able
There's no turning back to see it any more (yeah,yeah,
yeah yeah yeah) I'll move on

(Verse 1) Life goes on, as I roll on
I could only be a child for so long
yeah I wanna see my child hood prolonged
but it's time bow wow say so long
and I step to a new day,
new age, on a new page
in a book of life but it's looking like
ya'll ain't ready for the new phase
then I'ma get more mature
make mistakes, but hey
everybody did that before
ever feel like you've been traped before
wish you can open up a magic door
step throught it, just do it
the way that you feel it but cha'll confuse it
ya'll wanna shield, and keep me secluded
but this is life I'm bound to go throught it
it's a process ya'll gotta digest
let the boy grow up, wanna go out
have a little fun, if it get a lil' wild,
then so what
cuz an ounce of experiance
just more than a pint of advice
I hope ya'll hearing this, cuz I'm serious
and it's like, I'm so curious about life
I'm movin' on
(Chorus)

(Verse 2) I bet you think you know what you think you know
but I'm different than any one you've seen before
so don't compare me to other thirteen year olds
you seen lookin' cute comin' on the scene to blow
first impression of a young adalesson
a grown up mind a flow so impressive
grew up so fast in this profession
a flash of concerts and late night sessions
so much dough, he don't know it's a blessin'
the way he brag, he won't last one second
but oh contrare they'll stop and stare
if i sell my jewelry and cut my hair
still be here after ya'll
standing tall, like I ain't had a chance to ball
so when you doubt me I'll just laugh at ya'll
Shad Moss fallin off, it ain't a plans at all
but ain't no tellin'
when there's no more sellin' other record end up
wit a pen label record
but I still got acting and basketball
so if you ain't checkin' for me
I ain't checkin' for ya'll
so
let this be a lesson to ya'll
wanna rap, act, teach,play professional ball

no matter who you get advice
or who you listening to
you get one life can't nobody live it but you

(Chorus)

(Mario:) movin on yeah
movin on, movin on
ready
I'm movin on
gotta move on
I'ma move on
all ya move on
yeah
let it go now
get the roll now
me and you now
here we go nowuwoah hooo

(Bow Wow:) just playin around ya'll
gotta go now ya'll

(Mario:) no no no no no
