All my life this talent be bumpin' in my veins  
I know these girls is happy that I'm back in the game  
While I was gone the question was: When ya album come out?  
Another one to go cop so ya'll could scream and shout  
Been away for a minute  
Negotiatin' some deals  
Discussin' some business on how I can make mils  
Man, it feels good to know that ya fans love it  
I've been flyin' back and forth just meetin' with Warner Bros.  
You know, sitcom's gonna be on yo TV  
So all the Bow Wow fans could see me on GP

(Chorus)

Every dawg has his day so right now be mine  
I ain't no unpolished I'm a polished diamond that shine  
Had to retire my Mickey Mouse, I gotten too old  
Peach fuzz on my lip, homeboy I'm grown  
I'm that eastside e-savin 614  
Rep it girl get a playboy that flow, got that to look at  
Be on top number one is my rank

You see that Z? That's me inside

(Chorus)

Oh, you want some advice?  
Well, without a doubt  
Dawg don't come out when Bow Wow's out  
When I spit my rhymes be as sharp as a dart  
Another album that's finished, shoot straight up the charts  
Number one videos straight to 106  
Every suburban middle American gonna be bumpin' this  
See, I'm real don't worry  
I got it on lock  
When the boy wonder's around I shut down shop  
Rapper slash actor slash  
I cause total chaos  
I got it in a smash  
Homie ain't nobody hotter

And I'm goin' back for the whole enchilada, you got it

(Chorus)
