(Jermaine Dupri)

Just blaze...make it knock

(Bow Wow)

Ladies when you walking through the mall
and you hear somebody say (whistle) (Weezy)
You gotta turn back at em'
and you know what, I gotta do the same thang (whistle)
(laughs) its that new 2003 call ladies (fa sho) (whistle)
(laughs) Fa shizzle

(Jermaine Dupri)

Its SO SO DEF, uh huh

-Chorus-

All I'm tryna do is get my dough up
I'm your boy, Your my girlfriend
Stop hold up I ain't in no kinda rush to grow up
So slow up, I'm just playin' the game
I'll warn you girl, before you get up off of me
you have might think you got me but you'll never really get me
So dont trip if you see me doing my thang
I told ya I'm just playin' the game

(Lil' Bow Wow)

I'm at the mall on Saturday
I ain't got no cap on my salary
So you know I'm tearing it up
I mean its so many girls here
Everytime I look i see them looking back at me
and they sayin' "What Up", I'm too young to wife
Somethin' so you know my game pumpin'
Like baby let's talk, Let's hang do something
What about them digits "Can I get that?"
She write em' down I give a pound and say ma "holla back"
Next door, just more of the same activity I'm up in Tiffany's
Talkin' to this girl name Brittany, She tryna roll with me
She tryna shop with me, She tryna do whatever it takes to get with me
Like im easy "How you gon' like my name ain't Bow Weezy?"
And I ain't got breezy, coming by the dozen
Thats why the phone buzzin', I'm sorry but I ain't lookin'
For no long time lovin' girl

All I'm tryna do is get my dough up
I'm your boy, Your my girlfriend
Stop hold up I ain't in no kinda rush to grow up
So slow up, I'm just playin' the game
I'll warn you girl, before you get up off of me
you have might think you got me but you'll never really get me
So dont trip if you see me doing my thang
I told ya I'm just playin' the game

(Lil' Bow Wow)

Its hard to hold back when your fifteen
Got money by the stacks, Jumpin' out of candy covered lacks
Every show packed to the rim, girls screamin' at me
"Oooh how you made me happy, I just wanna ride with you"
Am I wrong, for not wanting to be tied up
When I'm grown maybe baby we can ride but
For right now I'm just tryna live the cameo life,
and doing it right, and see whoever I like
I'm tryna find me something every city I go
From New York to L.A. back to Ohio
I'm tryna find me something, a little ghetto, pretty, and fun
15 to 21, (OH) Is that true, If it is

When you hear I'm comin' take your city
Make sure your in the front , hands in the air screaming loud
as you can "Here I am, Here I am, Bow Weezy lets go!"

All I'm tryna do is get my dough up
I'm your boy, Your my girlfriend
Stop hold up I ain't in no kinda rush to grow up
So slow up, I'm just playin' the game
I'll warn you girl, before you get up off of me
you have might think you got me but you'll never really get me
So dont trip if you see me doing my thang
I told ya I'm just playin' the game

(Lil' Bow Wow)
Yea uh uh uh huh
(Tell how you Playin' the Game)
Yea Bow Weezy, ay check it man
I'm 15 years old, I just got my tips
You know I'm on a pace right now, man
I can't be slowin' down
I need a girl thats gon' ride with me, man
So check it, If you that girl, then Come on, Come on, Come on Lets Go!

All I'm tryna do is get my dough up
I'm your boy, Your my girlfriend
Stop hold up I ain't in no kinda rush to grow up
So slow up, I'm just playin' the game
I'll warn you girl, before you get up off of me
you have might think you got me but you'll never really get me
So dont trip if you see me doing my thang
I told ya I'm just playin' the game

All I'm tryna do is get my dough up
I'm your boy, Your my girlfriend
Stop hold up I ain't in no kinda rush to grow up
So slow up, I'm just playin' the game
I'll warn you girl, before you get up off of me
you have might think you got me but you'll never really get me
So dont trip if you see me doing my thang
I told ya I'm just playin' the game
