Title: Is There Anybody Out There? (Kickin' Off) [Print](#)

[Correct](#)

Come oonnn

Wanna learn to fly, wanna climb so high

Its kicking off!

Somewhere we can get more, feel more,

We're lifting off!

Gonna take my life,

My life to new levels,

Gonna shake it all up so my heart rate trebles!

Getting out of this place,

Get out of my face,

We're kicking off,

Bought a ticket out of this hole,

Play my rock n roll,

We're kicking off!

Gonna take my life,

My life to new levels,

Gonna shake it all up so my heart rate trebles!

(Repeat 2x)

Come oooooooooon!

Is there anybody out there?

Anyone who cares,

Is there anybody out there?

Alriiiiiiiiiight!

Sh -shake it off,

sh - shake it off,

Somewhere we can get more, feel more,

We're lifting off!

My life to new levels,

Gonna shake it all up so my heart rate trebles!
