

# Lil' Chris, Me And My Life

Me and my life,  
We're in despair,  
Soul survivor i dont care,  
Oh, oh oh oah, oh oh oah.  
I'm in control,  
I do what i want to,  
Jump on the bed,  
Do what you belong to,  
Oh oh oah, oh oh oah, oh oh oah.  
I'm losing my control,  
I'm baring out my soul,  
Stop doing what you're told,  
Ow ow ow ow ow right yeah,  
Me and my life,  
Its me and my life,  
My life.  
When it comes to me,  
You get what you see,  
Be what you are,  
And not what youre told to be,  
Oh oh oh oh oh oh.  
Cant be dealing,  
With your dishonesty,  
Nag! Nag! Nag!  
Is what I get constantly,  
Oh, oh oh oah, oh oh oah.  
I'm losing my control,  
I'm baring out my soul,  
Stop doing what you're told,  
Ow ow ow ow ow right! Yeah!  
Me and my life,  
Its me and my life,  
Me and my life,  
My life
