

# Lil' Chris, She Dances On The Stage

Oh god my tv's been taken!  
you gotta call the police!  
inside my head it's so vacant  
and now i'm bored again  
you know that...  
it feels like, i feel like, got nothing, can't talk about  
it feels like, i feel like, got nothing, to talk about  
she dances on the stage  
now life just ain't the same, believe me  
And so i got me a plasma  
a 42 inch  
'cos she makes me estatic  
and now i'm bored again  
you know that...  
it feels like, i feel like, got nothing, can't talk about  
it feels like, i feel like, got nothing, to talk about  
she dances on the stage  
now life just ain't the same, believe me  
she dances on the stage  
now life just ain't the same, believe me
