

Lil Durk, Kanye Crazy

I fucked up so many Times
Would you bless me again
You went through what i went through
You would feel desperate to win
You got statements on yout dog
You a threat with the pen
Couple nights
I wrote strike
Caus ethey was changing to VIN

And i drink a ginger
Thet's what i take for my team
I say this one last time then i'll take it again
Is yout with me or you not
But ain't gon' say it again
Get a second Chance
With promises
Dont break it again

I am goin' Kanye crazy
Kanye crazy /2x
I am goin' Kanye crazy
Kanye crazy /2x
I am goin' Kanye crazy
Kanye crazy /2x
I am goin' Kanye crazy
Kanye crazy /2x

You ain't going the answer sway
I be claimin ' i am the realest
Like any other day
Feds got and went in the camer inside
His Cartier
Try not to bring yp shit you did
You gotta concentrate

They don't be thinkin' about handcuffs no more
They tryna kill me
I won't put my trust in you
No more
You gotta feel me
Bringin' all my K's
I had to seal it
Kanye crazy but thhis teh real

I am goin' Kanye crazy
Kanye crazy /2x
I am goin' Kanye crazy
Kanye crazy /2x
I am goin' Kanye crazy
Kanye crazy /2x
I am goin' Kanye crazy
Kanye crazy /2x
