

Lil Eddie, Cameo

Once I got the spot
This mommy was on the set (set)
True down, supafly almost thought she was Halle Berry (berry)
Though you know how to work yourself in that mini dress yes
Heres my math call me up at eleven thirty

Chorus:

Lets make our own little video (oh)
You can get the cameo cameo
You could be the star of my show
You can get the cameo cameo
I wont let anybody know (waaah)
We can keep it on the low (on the low)
Lets camera action lets go
You can get the cameo cameo

Verse 2:

I was up on my way
When I get to ya crib lets chat (chat chat)
Ill have you back by the time ya mom wakes up
In the morning (morning)
Dont wanna take you ?
Wont be on some flex ish
Dont be shy when you get to my door
Im self recording

Bridge:

Baby loose it
Come on lets do this
Nothing to it yeah
Loose it
Come on let's do this
Nothing to it

Chorus:

Lets make our own little video
You can get the cameo cameo
You could be the star of my show
You can get the cameo cameo
I wont let anybody know
We can keep it on the low (on the low)
Lets camera action lets go
You can get the cameo cameo
I bet yall wanna know
The freaky things we do
I bet yall wanna know
The way she Uh uh uh
