Lil' Flip, Ain't No Party

Oh, next light bust a right.
It's not gonna be too hard.
If there's no parking on the street pull up on their front yard.
Don't bring no vodka, or whisky,
we've got everything you need.
Just bring a pair of your dancing shoes and get down to this beat.

You gotta realize that there aint no party
like the party going on in my house.
Better believe that it's gonna be the biggest night of the year.
Because there aint no party
like the party going on in my house,
but it would be so much better if you were only here.
... Mmmm, oh, that's right. Mmmm,
prom night, Oscar night, got all that BS beat.

Do you know what album had this song, can you report to us below?
There's twenty girls for every single boy
and their crazy from this heat.
We'll take you up and down and everywhere in between.
Mom and Dad are out of town all week,
so you better get on your feet.
