

# Lil' Flip, Candycars

Man we ridin candycars eating candybars naw i ain't locked up behind bars man  
this is lil flip of the screwed up click i'm the coe yeah yall still come to  
see me flow i shine so hard i glow in the dark. my momma say damn boy it look  
like you got a star in yo mouth well momma that's apart of being down south.  
yall still mad? well i feeling kinda glad. records going gold and platium. man  
i'm talented i got skillz that bet ain't even seen yet i got a grill that damn  
near cost a mil. houston texas is where i live. but every body know in houston  
candycars be our style

that's all i wanted to write lil flip i might help ya soon then holla at me and  
i write you and hole new album i got killz to dogg. lil bebe
