

# Lil' Flip, Texas Boyz (Screwed)

[Lil' Flip]

Howdy partners, welcome to Houston, Texas  
The home of the candy paint, the Houston Oilers,  
Whoops their gone, and suckafree  
Goddamnit, get on my V12 motor and vroom, vroom  
I like the bling bling of my choppers  
I got me a ranch and 4 horse, cause I'm a baller  
I'm a Texas boy, you know what I'm talking about

[Verse 1: Redd]

Now what you know about hustlers bumrushing the club doors  
Sneaking in with a snub nose and extra drug hoes  
Now what you know about us, we make a grill start grinnin'  
Any place we go you know we parkin' lot pimpin'  
What you know about rindin' on Bentley bikes  
And a chain with no ice is an empty site  
What you know about Texas we spit this slang  
Dirty Southside Redd know how to get this change  
What you know about iceberg with snoopy on it  
Check out my driveway nigga the Lex coupe be on it  
What you know about rappin and platinum plaques  
Signed a deal ain't nothin' left after that  
Now what you know about whores, yellows and redbones  
Especially when they all in your ear like headphones  
What you know about rippin' up the microphone  
Or hustlin' 'til them red and blue lights come on  
Now what you know about thuggin', hanging on street corners  
We watch your every move fittin' to creep up on you  
Now what you know about the south, we do what we do  
Take over dope spots and run with a group

[Chorus]

Yeah, What you know about them Texas boyz  
V12 motors and Lexus toys  
What you know about the dirty south  
Baguettes and princess cuts in our mouth  
What you know about that candy paint  
We smoke top flight and we drink  
What you know about the dirty south  
You a bad motha...Shhhh, boy shut your mouth

[Verse 2: Lil' Flip]

What you know about wearin cardier eye glasses  
Diamonds in your face just like eye lashes  
And what you know about the Astrodome  
What you know about a sprint and a prime co phone  
What you know about eating fish and gritz  
Can I have some toilet paper cause this the shit  
What you know about having a pretty grill  
Blue benz, new fins on pretty wheels  
What you know about the Kappa beach party  
I got a full tank like a Master P artist  
What you know about them niggaz in suckafree
