I love wearin platinum, but my favorite color's green  
I'm hoppin out Ferraris, my house is three stories  
I'm still independant cause Jive couldn't afford me  
The meetings were boring, for real I was snoring  
The VP was fine, yeah she made me kinda horny  
But that's another story, let's get back to the topic  
Right now me and Hump negotiatin to buy tha Rockets  
We might buy the comets-name it, I done it  
If you see it and want it, buy it, own it  
This is for my homies, Pat and DJ Screw

Boy i'ma stay true, until the day I fall

(Verse Two)

I'm thinkin - designer clothes and fashion shows

I'm thinkin - bein rich before I'm 24  
I'm feelin - wood grain all in my tinted truck  
I'm fillin - all my teeth up with princess cuts  
I'm fillin - jugs up, no mo empty cups  
I'm feelin - like I'm worth 10 million bucks  
And I know - I wear a watch, that was made from the game  
And I know - my rims chop like the blades on a plane  
And I know - yo baby moma still givin me brain  
And I know - that ain't platinum, that's a silvery chain

And I make - nothin but hits when I step in tha booth  
And I make - rainbows when the sun reflect off my tooth  
And I make - DVD's light up in mu coupe  
I think I feel I know I make money, how bout you?

And we like to floss, all my diamond gloss  
I represent the dirty, dirty, dirty, dirty south
