

# Lil Irocc Williams, Game Face

(Chorus)

You want the victory  
you got to fight for it  
can you pass the test  
and sacrifice for it  
you think you got everything that it takes  
put your game face on  
put your game face on

(Verse 1)

this is where we separate the men from boys  
the tools from toys  
the music from noise  
first quarter the beginning of life  
and i'm in it to win and i'm willing to fight for  
whatever it takes and however the breaks come  
making the big plays  
taking the victory  
shaking you this way  
faking you this way  
leaving you in a place  
iROCC don't play  
that's how it gotta  
ain't no stoppping me  
i gotta dominate letting my opponent see  
no fear, no tears, no pain, all heart, too strong, all game...

(Chorus 2x)

(Verse 2)

You gotta know the rules in the game of life  
a full count is 3 tries 2 strikes  
so what you wanna do when you facing that  
you can strike out and swing hard and break the bat  
from the contact the ball react  
go over the scoreboard to the lot outbak  
strive for greatness overcome weakness  
learn the playbook beef up your defense  
keep your offense in forward motion  
highlt respect and listen to the coaching  
excellence, perserverance, determination  
these are the things you need for game facin

(Chorus 2x)

(Verse 3)

Life is not a game it's a serious thing  
but the concepts the same in the principles aim  
cuz in life we all have seasons good and bad  
for all different reasons  
plans and ways to keep the team leading  
work all day to keep the family eating  
the last shot before the clock stop  
iROCC gon drop and take you to the top  
so keep your ears open to recieve this man  
my last pass is the bomb we need this man  
true victory in life is a follower of christ  
if you ready for a race then let me see your game face

(Chorus 4x)
