They wanna stop me, but they plan is hopeless

But it's a motherfucking shame, the evil that men do

(Lil' Keke)

Over the last past months, you know it's been a lot of bumping
Snitching talking, griping mumbling

You gone make me have to go, and get a tool with that
I'm 5'9, a hundred seventy five try it

My nigga T-Baby, he told me a long time ago
Nigga go on get your cash, don't even worry bout it bro
My nigga Russ one love, cause we go so far
He told me never sweat the battle, cause we winning the war
My nigga Poof Pop, no games no pity
Told me Ke' I got your back, you the coldest in the city
My nigga M-Dawg, you know he quick to go off
He say Don I'm riding wit ya, till the wheels fall off
My nigga Hard-D, he got me chasing a dream
He say Ke' it's on you, you quarterbacking the team
My nigga Big H.A.W.K. big brah, you know where it's at
It's one hundred to the end, we gotta do it for Pat
My nigga Tip-Toy, say this the one right here
He say Ke' it's your place, and your time and year
My nigga J.B., he fell right up in line
Cause we 24 hour fit, and it's the click on I

Cause I love y'all niggaz, and y'all love me too
