

# Lil' Kim, Another

She was askin bout ya whereabouts  
Here's the digits, i know you can wear that out  
Tear that out the frame, ya game so tight  
You'll be all fuckin night

Chorus two: lil kim

What do ya do when your man is untrue?  
Do you cut the sucker off and find someone new?  
I need another man, in my life

Verse two: lil kim

Mmm, uhhh, uhhh!  
Member when you said you would die for me, shit  
All of that was just lies to me  
Motherfucker shoulda never said bye to me  
Now you cry for me, like jodeci  
It's like that y'all, my nigga hit another bitch from the back y'all  
Black nasty and matter fact ya'll  
Shoulda seen the hoe, nigga pack ya shit  
You out the door, ohh  
What about the fight in the mirage?  
I seen ya benz, parked outside my sister's garage  
Said it was ya friend rog, bullshit  
I ain't gonna keep puttin up wit the bullshit  
And still i, never sweat these bitches  
Who be hanged like plaques on the wall and ya pictures  
Scalin fishes, my love is concrete  
Stashin ya heat in the passenger seat  
Of the nautica jeep, we've been down for so long  
Still a bitch like me tryin to hold on  
Teary eyed, damn a bitch steamin  
Girls steady screamin, 'kim you need to leave him!'  
When i testified in court, couldn't think straight  
Thinkin bout the bitches i fought  
Over you, nigga half the shit you bought  
And fuck you, movin is my last resort  
You see nine outta ten niggaz, ain't shit  
One outta five niggaz suck a dick  
Ya mad at me, too bad she ain't as bad as me  
Choulda kept the freak bitch off my canape  
Now you see, ain't no pussy warm as mine  
Long as mine, ain't no love as strong as this  
When i sucked ya dick, it's like smokin a roach  
Uhh, i go from first class to coach
