[Lil' Kim]

Throw on a Hollyhood Wear by Lil' Kim

You know the Queen Bee known for (doin it way big)

We take trips to Mekenos, Greece

just to shop, we don't stop (doin it way big)

This is for my millionaire glub golfers

Comin up like Halle and Denzel, winnin the Oscars

Y'all get y'all diamonds from Jacob, I ain't mad at ya

I get mine straight out the Kimberly Gold Mine in Africa

I smack niggaz 'cross the face with a Centurion Card

who don't believe I'm (doin it way big)

In the Continental T, magnolia B

.. (man, she doin it way big)

I'm comin through Hummer stuntin, and I'm frontin

Workin that LaBurke and, Ermez bag

Only multi-millionaires who know about that

be like.. (damn, she doin it way big)

[Chorus: Lil' Kim]

Anything we do we do it B.I.G.

Every move we make is always B.I.G.

And the number one rule, think B.I.G.

And the best rapper's still B.I.G. (one more time now)

Anything we do we do it B.I.G.

Every move we make is always B.I.G.

And the number one rule, think B.I.G.

And the best rapper's still B.I.G.

[Lil' Kim]

Pull out the G-55, Cavarolet

Oh by the way I'm (doin it way big)

Eight Alpine speakers, custom made H-R-E rims

(uh-huh, doin it way big)

The chinchilla blanket, the black diamond anklet

It's made out of farragut faggot, try to yank it

Got all glass, Benz in all class

I do it big, my first kid gon' have a crib all brass

This is, exotic y'all, I got it y'all

Every color lizard watch from Scotty y'all

Private jets, Tiffany silverware sets

I got shit department stores ain't even get yet

I drop, 30 or more in Christian D'or

They gotta, close the store and let me shop some more

We go to, Broadway plays in six white Rolls Royce

(now that's what you call doin it way big)

[Chorus]

[Lil' Kim]

As long as I'm here, I'm gon' keep doin it, doin it how I do it

When I do it best believe I be (doin it way big)

We greet our guests at the door

with champagne and cigars that read (doin it way big)

Chrome on the doors, stone on the floors

Fourteen karat gold, paint on the walls

We swim in pools with marble waterfalls

Ball baby or don't ball at all

My bathroom is Chanel, my bedroom Louis Vuitton

And office decorated in, Ralph Lauren

I got a, Versace couch and pillows I sleep on

With the matchin rob and slippers, I beg to differ

LaPerla lingerie, cause it fits my body

Get with us, we know how to throw a party

And you can't get in, without a QQueen Bee members only jacket

that reads (doin it way big)

[Chorus]

(dice rattle) C'mon dice

(dice rattle) (one more time now)

(dice rattle) C'mon dice

[Kim] And the best rapper's still B.I.G.
