

# Lil' Kim, Freestyle

Uh-Ready to battle you  
Lyrically f\*ck you up  
and rattle you  
Bitch'll write sh\*t for ya  
And still spit sh\*t harder than the average dude  
what i'm saying is coming genuine is a must  
but you're a opposed to that idea  
so in a bit i'll have to sweep yo ass off like dust  
It kind of puts me up in f\*ckin rage  
to see a bitch Nickel-less like Cage  
But when you try to take my stage  
you get turned like a page  
Your fake sh\*t dont amuse us  
F\*ck puttin five on it like The Luniz  
Funk this bitch so hard have it smelling like tuna  
I put three Gs on this bet  
That my sh\*t drop hard like the Valujet  
Some of my hard flows will keep your niggas dick erect  
The others i'm ghost writting for ya to keep your sh\*t comming correct  
I'm Scary like the f\*ckin' Spice  
Leave you steamed like a bowl of rice  
Yeah my sh\*t was nasty back in 96'  
talked about my pussy and every n\*ggas' dick  
But it's 99 and yall bout to see what a real bitch is about  
F\*ck niggas they aint sh\*t, now i'm about having clout  
This is all straight from knowledge now peace mutha f\*cka i'm out.
