

Lil' Kim, Kimme More

(feat. Britney Spears)

It's Britney, bitch
And Lil' Kim, Hoe

Kimme Kimme more,
Cause too much is not enough
All this liquor in my cup
Got me dancing like a slut
Fans are screaming Gimme More,
Cause too much is not enough
Can you feel the Trinamin rush?
Kim and Brit, all eyes on us

Every time they turn the lights down
Yeah, yeah, yeah
Just wanna go that extra mile for you
Public display of affection(What, what, what)
Feels like no one else in the room
(But you)

We can get down like there's no one around
We keep on rockin'
(We keep on rockin'
We keep on rockin'
(Keep on rockin'
Cameras are flashin'
While we're dirty dancin'
They keep watchin'
(They keep watchin'
Keep watchin'
Feels like the crowd is sayin'
