Do she handle it like she got a deep throat?

I mean suck that cock 'til she start to choke

Does she like to have sex high off the X?

Try it with me and tell me who's the best

Does she like to wear thongs that you can eat?

Do she fuck your brains out 'til you fall asleep?

Like you know I fuck you

And I bet you she will never do, oh

All the things I'll do for you
