[Lil' kim: Talking]

Yo, this the Queen Bee,  
and I came to say a little something  
On my girl Missy shit!  
Now see i got something to say.  
That's right i got a problem.  
I got a problem wit' all ya'll muthaf\*\*kers out there,  
that got a problem wit' us callin' ourselves a bitch!  
Yeah thats right i said it muthaf\*\*ker, Bitch!  
What?!  
Ya see bitch is a strong word,  
and only strong bitches can use that muthaf\*\*kin' terminology!  
BITCH!  
I mean if u cant wear the name,  
then dont try to use it...  
Shucks!

[Missy]

Throw ya hands up if you like to get high  
Make a phat beat so we can party all night  
If u got beef u gotta take it outside  
Throw ur wrists up and lemme see ur ice shine
