

Lil' Kim, Time To Rock And Roll

(Laughing)

I don't care what y'all say

((Chorus))

(Whoa)

It's time to rock and roll

(Whoa)

This time I'm in control

(Whoa)

Right now I own the streets

I got the keys to the city

That's 'cause I get down

(Whoa)

Time to rock and roll

(Whoa)

This time I'm in control

(Whoa)

Right now I own the streets

I got the keys to the city

That's 'cause I get down

((Verse 1))

Sometimes I wonder

How I made it this far

With all these people hating on me

Y'all know who you are

Take a chance and try to come up

In this game being a star

Now I own the keys

To a brand new fancy car, baby

It's my turn to burn

And now I'm here

To rub it in your face(Ha,Ha,Ha,Oh)

When will you learn,

I'm the Queen

And I'll put you in your place

((Chorus))

(Whoa)

It's time to rock and roll

(Whoa)

This time I'm in control

(Whoa)

Right now I own the streets

I got the keys to the city

That's 'cause I get down

(Whoa)

Time to rock and roll

(Whoa)

This time I'm in control

(Whoa)

(bounce)Right now I own the streets

(bounce)I got the keys to the city

(bounce)That's 'cause I get down

((Verse 2))

How dare you try to go against

The glorious one,hon

I'll slaughter your son,

It's over,

The story is done
You can be number two
But I'm second to none
What, you forgot Queen Bee
Is the Notorious One?

((Verse 3))

Baby, Baby, Baby, Baby
I'm the cream de la cream
So you can never play me
See I'm more than a lady
I'm more than a lover,
More than enough for you
(Oh)

Please try to understand that
Imma stay at the top
'cause I don't give a damn
I don't care what y'all say
Imma keep doing me,
I can't fade me

((Chorus))

(Whoa)

It's time to rock and roll

(Whoa)

This time I'm in control

(Whoa)

I got the keys to the city
