

# Lil' Kim, Time To Rock 'N Roll - Lil' Kim

I don't care what y'all say,

Whoa! It's time to rock n roll,  
This time I'm in control.  
Right now I own the streets,  
I got the keys to the city,  
That's cause I get down.  
Whoa! Time to rock n roll,  
This time I'm in control,  
Right now I own the streets  
I got the keys to the city  
That's cause I get down.

Sometimes I wonder how I made it this far  
With all these people haten on me  
Y'all know who you are  
Take a chance and try and come up  
In this game bein' a star  
Now I own the keys to a brand new fancy car, baby.

It's my turn to burn and now I'm here to rub it in your face.  
{Whoa!}  
When will you learn?  
I'm the queen, and I'll put you in your place

Whoa! It's time to rock n roll,  
This time I'm in control.  
Right now I own the streets,  
I got the keys to the city,  
That's cause I get down.  
Whoa! Time to rock n roll,  
This time I'm in control,  
Right now I own the streets  
I got the keys to the city  
That's cause I get down.

How dare you try to go against the glorious one,  
I'll slaughter you son  
It's over  
The story is done  
You can be number two  
But I'm second to none  
And you forgot queen B, is the notorious one, uh.

Baby baby I'm a lady  
I'm the crme de la crme so you can never play me  
See I'm more than a lady  
I'm more than a lover more than enough for ya  
Please try to understand me  
Imma stay at the top cause I don't give a damn

I don't care what y'all say  
I'm gonna keep doin me  
I can't fade me

Whoa!, It's time to rock n roll,  
This time I'm in control.  
Right now I own the streets,  
I got the keys to the city,  
That's cause I get down.  
Whoa! Time to rock n roll,  
This time I'm in control,  
Right now I own the streets  
I got the keys to the city

That's cause I get down. {2x}
