(Jermaine Dupri)
Tell Me

P Diddy (Jermaine Dupri):
People Dying (Yeah)
People Crying (Uh-huh)
Lord help us (C'mon)

(Bono)
Mother, mother
There's too many of you crying

(Gwen Stefani)
Oh, brother, brother, brother
There's far too many of you dying

(Jermaine Dupri)
That's Right

(Aaron Lewis)
You know we've got to find a way
To bring some lovin' here today

(Nona Gaye)
Oh my father, father
We don't need to escalate

(Backstreet Boys)
You see war is not the answer

(Nona Gaye/Backstreet Boys)
For only love can conquer hate

(Christina Aguilera)
You know we've got to find a way
To bring some lovin' here today

(Britney Spears)
Barricades, can't block our way

(J-Lo)
Don't punish me with brutality

(Destiny's Child)
Talk to me
So you can see

(Destiny's Child/Britney Spears)
(First Chorus)
Oh what's going on
What's going on
Yeah what's going on
Ahh what's going on

(Ja Rule)
What's going on in a world filled with pain
Where's the love for which we pray
What's going on
When our children can't play
Homeless can't eat
There's got to be a better way

What's going on
When we politically blind
Can't see the signs of endangered times
What's going on

(Nelly Furtado)
Ah ah tell me
What's goin' on in the world today.
I'd rather be dead than to turn my head away
We got this first world vision too
Comfy to lift up our hands in the air
And cry for a switch

(Michael Stipe)
Father, father

(P. Diddy)
Father help us, come on

(Michael Stipe)
Everybody thinks we're wrong

(Alicia Keys)
Oh, but who are they to judge us
Together we can all be strong

(P. Diddy)
United we stand, Divided we fall

(N'Sync)
Oh you know we've got to find a way

(Mary J. Blige)
To bring some understanding here today

(N'Sync)
Barricades can't block our way

(Darren Hayes)
Don't punish me with brutality

(N'Sync)
Baby talk to me
So you can see

(Second chorus)
Yeah, what's going on

Hey, what's going on
Somebody tell me what's going on
I'll tell you what's goin' on-uh

(Nelly)
What's going on 'cross seas
Every minute a child dies by this disease
In record numbers indeed
Got mamma's crying out please
My baby hold on
My child ain't done nothing wrong
Still I want to holler
Ask them why they don't bother
Oh no, oh no
Make me turn to my father
And ask him why they all got a trapped soul

(Nas)

I can feel what was bothering Marvin
Why his words forever remain
Dealing with these modern day problems
'Cause of ignorance surrounding me and my constituents
Too many infected
Too many lives diminishing
Nobody say Protestants, Jews, Blacks, and Whites, Latinos and
Asians
Pray together
Less fight
We better unite
As genocide chemical war
And the rich and the poor
Know that God delivers a cure

(Eve)

It's a shame our reality is devastating
People praying for a cure
Dying while they're waiting
Ask the Lord for the comfort and strength to face it
All the kids with dreams
Won't get the chance to chase it
Makes me sad
Think about the lives they would've had
Think about the orphan babies got no moms and dads
How can we sit back and not try to make it right
We gotta come together
We gotta fight for life

(Lil' Kim)

Uh uh uh uh
See I come from the streets
A world with racism and poverty
It's hard to make peace
Little girl with big dreams
You don't have to settle
We gone get out the ghetto
We fight but still things ain't right
Too many dying
Lord knows I keep trying
You don't know the pain I feel
I miss you B.I.G.
Let's find a cure for A.I.D.S
Oh

Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
