Greatness + Greatness = Great Greatness

Hey, Hey, Hey

Lil Mama- (Intro)

The way we get loose  
We move our shoulders  
Foward  
Heads back  
Get it in control

Lil Mama- (Verse 1)

L.I.L You better ask somebody

Wit a flo so spec like technolotta

Its the reason why I spit it  
How I spit  
When I spit its like mucus  
Gotta get rid of it

These chicks dont pop like me  
Uncompatible girl  
No comparing me  
And!  
Ain't none of yall scarin' me  
Like don't cha wish ya girl was as bad as me YEAH!!  
Wit a flow so sick like Twista's  
So sweet
