(50 Cent)

New York City,  
you are now rappin' with 50 Cent  
you gotta love it

I just wanna chill and twist a lot  
Catch sunshine in my 745  
You drive me crazy, shorty I  
Need to see you and feel you next to me  
I'll provide everything you need and I  
Like your smile, I don't wanna see you cry  
Got some questions that I gotta ask and I  
Hope you can come up with the answers babe

(Nate Dogg)

Girl, you seem to love me now  
Would you love me if I was down and out  
Would you still, have love for me?

Girl, you seem to love me now  
Would you love me if I was down and out?  
Would you still, have love for me?

(50 Cent)

If I fell off tomorrow, would you still love me?  
If I didn't smell so good, would you still hug me?  
If I got locked up and sentenced to a quarter century  
Could I count on you to be there to support me mentally?  
If I went back to a Hoop-D from a Benz  
Would you poof and disappear, like some of my friends?  
If I was hit and I was hurt would you be my side?  
If it was time to put in work would you be down to ride?  
I get out and peel a nigga cap and chill in drive  
I'm asking questions to find out how you feel inside  
If I ain't rap 'cause I was flip burgers in Burger King  
Would you be ashamed to tell your friends you're feeling me?  
In the bed, if I use my tongue would you like that?  
If I wrote you a love letter, would you write back?  
Now we can have a little drink, you know a Nightcap  
And we can go do what you like, I know you like that

(Nate Dogg)

Now would you leave me if your father, found out I was thugging?  
Do you believe me when I tell you, you the one I'm loving  
Are you mad 'cause I'm asking you 21 questions?  
Are you my soulmate? 'Cause if so, girl you're a blessing  
Do you trust me enough, to tell me your dreams?  
I'm staring at you tryna figure how you got in them jeans  
If I was down would you say things to make me smile?  
I treat you how you want to be treated, just teach me how  
If I was with some other chick and someone happened to see  
And when you asked me about it I said "It wasn't me"  
Would you believe me?  
Or up and leave me?  
How deep is our bond?

If that's all it takes for you to be gone  
We only humans girl we make mistakes  
To make it up I do whatever it take  
I love you like a fat kid love cake  
You know my style  
I'll say anything to make you smile
