

Lil' Mo, Lucky Her

[Verse 1:]

When you was my man you didn't understand.
You didn't have a clue.
It was all brand new to you.
That I need love too.
You put your boys before me.
Constantly ignored me.
Didn't do nothing for me.
Now it's another story.
Oh, no I'm not hating but I am just saying cuz...

[Chorus:]

You said you settled down.
And doing the family thing.
(Lucky her) (Hmmm)
You say that you're all grown up.
And you don't do childish things.
(Lucky her)(Hmmm)
You don't hang out no more.
And you don't stay out no more.
(Lucky her)(Ohhh)
You said that you're better then.
And that you're a better man.
(Lucky her)(She's so)

[Verse 2:]

(I)
Thought I would walk down the aisle.
(I)
Thought I would have your child.
(I)
Thought I would be the one that always made you smile.
But then it came what's her name outta nowhere taking my place.
After I made you half of the man you are today.
She'll get all the credit baby.
And I can't forget baby.
We cool.
(We cool)
It's cool.
(It's cool)
I won't trip.
(I won't trip)
It's all good.
(It's all good)
But I got one last thing to say to you.
No, I'm not hating but I'm just saying cuz, oh...

[Chorus:]

You said you settled down. (You said you settled down)
And doing the family thing.
(Lucky her) (What does all that means?)
You say that you're all grown up.
And you don't do childish things.
(Lucky her) (How could you do this to me?)
You don't hang out no more. (No no)
And you don't stay out no more.
(Lucky her) (She's so lucky)
You said that you're better then.
And that you're a better man.
(Lucky her)

[Chorus:]

You said you settled down.
And doing the family thing.

(Lucky her)
You say that you're all grown up.
And you don't do childish things.
(Lucky her)
You don't hang out no more.
And you don't stay out no more.
(Lucky her)
You said that you're better then.
And that you're a better man.
(Lucky her)

Bridge:
What does all of this means?
Why you do this s*** to me?
Was it really all that bad?
That you had to do me like that.
I'm still tryna figure it out if I even had the chance.
No, I don't hate you but I am so damn mad.
Ohhhh...

[Chorus:]
You said you settled down.
And doing the family thing.
(Lucky her) (She's so lucky)
You say that you're all grown up.
And you don't do childish things.
(Lucky her) (Woah...)
You don't hang out no more.
And you don't stay out no more.
(Lucky her) (Lucky her)
You said that you're a better then.
And that you're a better man.
(Lucky her) (Lucky her)
