

# Lil Mosey, Falling

Yeah, she made my heart wanna jump (Wanna jump, uh)  
Don't know why I'm stallin', don't know why I'm stallin'  
Excuse me miss, I think I fell in love (Fell in love, fell in love)  
Catch me when I'm fallin', catch me when I'm fallin'  
Know you see my love, so don't run (So don't run)  
Let me put my all in, let me put my all in  
I can teach you how to have some fun (Have some fun, fun)  
Without you life is borin', without you life is borin'

I don't want nobody else (Else), don't want nobody else, oh (No)  
Want you to myself 'cause, baby, yeah I'm so froze  
And I just wanna hold you, hold you, hold you (Hold you)  
When we're chillin' by the cellphone  
You don't gotta worry, you're my only one, baby (Baby)  
Lookin' at the future for us and it look amazin' (Amazin')  
You the only thing that's on my mind, I'm goin' crazy (Crazy)  
I couldn't trade you even if they pay me (Pay me)

There's no "I" in "us", (No), but it's still me and you (You)  
I'd walk a thousand a miles, I'd cross the ocean too (Too)  
You make my heart skip a beat (Beat), yeah  
You make it hard, just to speak (Speak)

Yeah, she made my heart wanna jump (Wanna jump, jump)  
Don't know why I'm stallin', don't know why I'm stallin'  
Excuse me miss, I think I fell in love (Fell in love)  
Catch me when I'm fallin', catch me when I'm fallin' (Oh yeah, oh)  
Know you see my love, so don't run (So do run, oh wow)  
Let me put my all in, let me put my all in  
I can teach you how to have some fun (Have some fun)  
Without you life is borin', without you life is borin'

Sometimes I can help but baby you're close, yeah you closer (Closer)  
Runnin' through my mind, runnin' over and over (Over)  
Rockin' with' you, feel so much better (Better)  
Rockin' with' you, that's why I wrote this letter (This letter)  
Need you in my life, or I won't feel right (Feel right)  
You know what we doin' when we linkin' at night (At night)  
PrettyLittleThing, yeah, she just my type (My type)  
Tryna do her right, 'cause I hate it when we fight (When we fight)

There's no "I" in "us", but it's still me and you (Me and you)  
I'd walk a thousand a miles, I'd cross the ocean too  
You make my heart skip a beat (Beat), yeah

Yeah, she made my heart wanna jump (Wanna jump, jump)  
Don't know why I'm stallin', don't know why I'm stallin' (Why I'm stallin')  
Excuse me miss, I think I fell in love (Fell in love, fell in love)  
Catch me when I'm fallin', catch me when I'm fallin' (Oh yeah, oh)  
Know you see my love, so don't run (So don't run, oh wow)  
Let me put my all in, let me put my all in (Put my all)  
I can teach you how to have some fun (Have some fun)  
Without you life is borin', without you life is borin'
