

Lil Nas X, HOLIDAY

Tak Keith
Took it ot 10!

It's a holiday
I hot hoes on hoes
And they outta control
It's another way
All my niggas on go and i hop that you know it
I can't even close my eyes
And i don't know why
Guess i don't like surprises
I can' even stay away from game that i play
They gon' know us today

Can i pop shit?
Pop /3x
I might bottom on the low
But i top shit
Switch the genre on you hoes
Do a rock hit
I got the biggest ddamn song
Fuck the charts, sis
I don't need 'em

They wanna know if it's be lastin
Bitch even if i started floppin'
There'd be fashion
Poppin' up in movies
Ain't no Nasy, bitch, it's Ashton
Hee hee
I am bad as Michael Jackson
Dun /3x

It's a holiday
I hot hoes on hoes
And they outta control
It's another way
All my niggas on go and i hop that you know it
I can't even close my eyes
And i don't know why
Guess i don't like surprises
I can' even stay away from game that i play
They gon' know us today
