

# Lil Peep, Us

Lil Peep, Lil Tracy  
Why everybody hate on us lately? (Huh?)  
Heard the GothBois crazy  
Girls wanna rape me  
Boyfriends hate me, fuck 'em though  
Police hate me, everybody hate me  
Hate me, 'cause they ain't me and Lil Tracy  
Ex-girl hates me, old friends hate me  
I'ma go crazy, where's Lil Tracy?

Have I ever had a nine to five? No, I didn't  
Got more money than a manager at Burger King  
Bad bitch ride my dick like some new rims  
Lil Peep pullin' money out the ATM  
Yeah, they hate 'cause we get them hunnid, hunnid, hunnid  
If it's no blue strips on my hunnid, I don't want it, want it  
Peep and Tracy in the castle  
Bitches in the dungeon  
Peep and Tracy in the castle  
Bitches in the dungeon
