

Lil Pump, At The Door

Ooh, Big Head on the beat
Lil Pump
Ooh, ooh, ooh, ooh
This is CB

I be, I be drippin' head to toe
Everywhere I fuckin' go
I drop forty racks a show
I could go flex on your hoe
I got junkies at the door, I got junkies at the door
I got junkies at the door, I got junkies at the door
I be drippin' head to toe
Everywhere I fuckin' go
I drop forty racks a show
I could go flex on your hoe
I got junkies at the door, I got junkies at the door
I got junkies at the door, I got junkies at the door

I got junkies at the door
I could serve you 244
I could serve you couple Xans
I could feed your bitch some coke
Yeah, my Uzi automatic, make your grandma do a backflip
Yeah, that.45 do that magic
Yeah, my wrist do that gymnastics
Got a blood sign on my wrist
It look like I took a piss
So you cannot tell me shit
Make your auntie do a flip
Yeah, I'm drinkin' Molly water
While I'm fuckin' on your daughter
Bitch, I'm bustin' at your father
Call me Lil Pump Vince Carter

I be, I be drippin' head to toe
Everywhere I fuckin' go
I drop forty racks a show
I could go flex on your hoe
I got junkies at the door, I got junkies at the door
I got junkies at the door, I got junkies at the door
I be drippin' head to toe
Everywhere I fuckin' go
I drop forty racks a show
I could go flex on your hoe
I got junkies at the door, I got junkies at the door
I got junkies at the door, I got junkies at the door

I be drip, I be drip, I be drip
I be, I be drippin' head to toe
Everywhere I fuckin' go
I drop forty racks a show
I could go flex on your hoe
I got junkies at the door, I got junkies at the door
I got junkies at the door, I got junkies at the door
