

Lil Pump, XXL Freshman 2018 (Lil Pump Freesty

Ouu, ayy

Pinkie ring froze, pinkie ring froze

Pinkie ring covered in gold

Too much diamonds on my neck, think I might choke

Had a threesome with your bitch with my eyes closed

Tell my side hoe bring it through the back door, oh!

I got eighty-thousand in my envelope, ouu

I just got a "Gucci Gang" medal though

Damn, I got some homies that went federal, ouu

Look at my two-tone Patek

I smash a hoe then forget

I got a fridge on my neck

I'm smokin' gas on a jet

Ouu, I love to flex

Ouu, blew out two million that Tootsie's, ayy

I made your auntie a groupie, ouu

And you know my life a movie, ayy

I got sticks like Call of Duty, ouu
