

Lil Rob, Brown Crowd

-verse 1-

its the gangsta M-E-X-I-C-A-N
back with the rhyme that that will blow your mind
that you wanna hear again because you can't get
enough of the brown crowd that its so ruff its so tuff
crazy, bad, wicked the worst and when i'm thru
when i rewind the verse
so you can try and go ahead and put me down
but i was told don't let no one get you down and never wear
a frown its Lil Rob the mexicano and proud one
competition none (music stops)
but when i'm not done (music starts)
fuckin it like this especially for the brown
so orale suvele on the brown side of town
don't be shy bump that shit homie
and be proud when you playing the oldies
now yea i hear that shit bouncing
i got the jelous vatos talkin cause i got the hynas shoutin
over Lil Rob one of many mexicano poets
but not saying that i'm king
down for the brown i'll show it cause i know it
its the brown crowd vida, its the loco thing
and i'm the mexican gangsta born with the badness
you think you can rap you still can't fuckin match this
a little vato going for the gusto
its called the brown crowd just thought i'd let you know so
listen to the sounds of the brownest and you will find
chicano sounds are the downest
cause we don't fuck around and that you should know
brown crowd with the sounds of the brown for the barrio
should i say that i'm back or sould i say that i'm still here
sounds of the brownest doing good to my ear
we are getting down so you might as well admit it
and if you talkin shit then you might as well quit it
its the mexican gangsta having an oh what a night
party up in my city and everything is alright
i'll get with mary jane cause she's my crazy luv
i'm having fun but the night ain't done its time for the hit n' run
but you best believe i'm brown and prawn brown and proud
its called the brown crowd.
(fuck yea!!)

-chorus 2x-

Brown Crowd Chicano we're proud and proud to be Brown
Got the Brown Crowd, got the, got the Brown Crowd
Brown, Brown Crowd Chicano we're proud and proud to be Brown
Got the Brown Crowd bumpin' loud

-verse 2-

I don't usually tear this competition
but when i hear some bad ass shit i gotta represent
myself better cause i can't let a silly sucka think he can rap better
than me so i get a firme style that you gotta rewind
chicano sounds are the downest you will find
when it comes to a rolla brown crowd controlla
how do you know cause Lil Rob told ya
commin striaight from the man with the wicked mind
all the times coming up with sick and twisted rhymes
but at the same time i got the hynas meltin with the crazy
love slow rappin
i got the vatos mad cause i got hynas shouting
i don't give a shit the jelousy will never quit
it never seams to amaze all this tension i raise
and for this i get paid ask me if i care and i'll say no

ask me if ive changead i'm still the same kid from the barrio
but theres a point i got to make see if you ask somebody shit
you gotta ask me cause
theres to many rumord going around about lil'rob and the color brown
hynas say that i'm conciated but i dont need it
i'm calling you a fuckin mensa if you want to believe it
so its like you got your own choice mija
without fans i wouldnt be nothing so you know i need ya
I started rapping now people don't let me live
people don't want me living there threats is what i'm given
i don't know why cause i think i'm a nice guy
sometimes mad most of the time i'm on natural high
and if you know me you know thats how i am
its called the brown crowd the life of this mexican.

-chorus 2x-

-verse 3-

back with verse 3 so let me kick it
i'm gonna make it quick sly slickfull wicked
to let you know otraves that i won and you lost
if you find me repeating something is to get my point across,
to get my point across, to get my point across
to all you levas that couldt catch it you know u cant match
it even though you try to snatch it
a style from a little vato who wont let go of a flow muy suavesito
and to all you rappers who say i can't rap i'm passing up
with my quickness cause your on my shitlist
you see i know what i'm doing ese but only if you knew
homes what i'm gonna do homes
trip out as i go on with the funky flow as i flow flow flow on
i'm droping competition to the floor cause i got more bouce
much more so let me fuck it up for the gente
as i'm rappin bottoms up on the presidente
cause theres a party in the town tonight but am i trough
shit not quite
yea homes the brown crowds the best
this jam is called the brown crowd now wait for the rest.
