## Lil' Rob, California

(Lil' Rob Talking) Southern California Home of low-ridin' Gang-bangin' and shit California

(Chorus)(Lil' Rob)
I was raised in the streets of California
(Southern California, home of car-hoppin' and bomb-droppin'
West coast pop lockin', walkin' how we're talkin')

(I was raised in Californ-I-A
Where homeboys die everyday over some shit they say)

## (Verse 1)

Welcome to my kingdom The streets are my freedom I need em', I feed em', I feedback They need that, like I need my weed sack Take a toque, wacha Where were we at? Oh, California the golden state Controllin' states, pushin' weight Where vatos like me hallucinate bouble up while you fumble up Fuckin' up, you fuckin' punk If there's no room Then we'll stick em' by the fuckin' pump

## (Chorus)
