

Lil' Rob, Intro

Well my name's Roberto Flores
But my homeboys call me Lil' Rob
Well my name's Roberto Flores
But my homeboys call me Lil' Rob
I'll drop these lyrics on your mind
With this crazy unic style of mine
Now some may say I'm bad
And some may say I'm cool
Either way it's all okay
I do this just for you
Well my name's Roberto Flores
But my homeboys call me Lil' Rob
