

Lil' Rob, Intro (Neighborhood Music)

Born in 1975, brought up in a small neighborhood
On the outskirts of San Diego, California
Spent my time hangin' out on the street corner with the homeboys
Havin' a couple chevves, passin' around a leno
You know, not botherin' anybody
Taggin' up on fences and benches
Neighborhood tensions
Maddog expressions, weapons in possession
Beautiful rukas, low-rider carruchas
That's just my lifestyle homeboy and it can't be stopped
Cause now I got this shit on lock
