

# Lil' Rob, Let Me Try

(Lil' Rob)

They wanna manipulate your mind, but don't try it  
Even if I was the devil and wanted your soul, I wouldn't buy it  
I choose to stay quiet, they claiming the bigger misdemeanor  
I wanna be like David and Goliath, shut their mouth, finally silence  
I hold the Corona, I live in la Colonia  
Ain't got No One To Depend On, no tengo a nadie, like I told ya  
They follow like a soldier, I'd rather be my own general  
What goes up must come down, what goes around comes around like teatherball  
I shine like Armor All, watch the Wildsdale parters fall  
Watch out for the handshake, fall down flat on the ground  
All down like a big flat pancke  
Baby let me be the guy for thetime of your life  
And let me be the lowrider for the part of your life  
Let me be that part of your life, many guys have come to you  
With a line that wasn't true (wasn't true), and you, passed them by  
Now you're in the center ring and lies don't mean a thing (mean a thing)  
Why don't you, let me try

(Chorus: Bizz)

Many guys have come to you  
With a line that wasn't true  
And you passed them by  
Now your in the center ring  
And their lies don't mean a thing  
Why don't you let me try

(Lil' Rob)

You come to my town, like once every weekend  
I can't sleep cuz anticipation gots me up like I was tweaking  
Every time you look at me, seems like you got control of my breathing  
Could it be that you want me could it be that reason  
Or could it be that I'm dreaming  
Just my imagination running away with me  
Would it be too much to ask, baby  
If you could stay with me, later  
And play with me, or maybe  
Just spend a day with me  
Cuz baby you gots this little boy acting crazyly  
Now I don't wear a dyamond ring  
I don't even know what song to sing  
But I do know one thing all the happyness I can bring  
I'm you puppet, but please don't take advantage of the string  
Cuz I'll loose myself in a tangle  
Then I'll have to find myself a brand new thing  
So tell me what you think go with him cuz the line is thin  
So don't leave me in the dark, don't leave me on the outside looking in  
Many guys have come to you, with a line that wasn't true  
But baby I'm for real, so tell me how you feel

(Chorus)
