## Lil Rob, Wickie Wicked

What's up I think I saw him standing over there just a minute ago Who? Lil' Rob, he's pretty bad on the mic you know

Lil' Rob, Lil' Rob It's the wickie wicked

Putos step and trip, I rip em up from the heart to the brain I remain the same, and I won't change You can't stop this so stop this nonsense People got this because they want this Little cholo, oh no, Lil' Rob coming with my steelo ma Lyrics are like the bullets out of a quette, time to reload And make sure I never run out of ammunition til I finish my mission Fix all the mistakes that these putos make, oh man grow up Shutting doors in your face so that you can't blow up Do you know who you're fucking with? Lil' Rob con gonega neta Leva you can bet your butt I'm down Little vatos follow as I lead the way And I say no to the bottles that you need some day Never fuck with the calm one, the one that likes to kick it It's me the sly, the slick, the wickie wickie wicked

Yea, that's the way to do it It's the wickie wicked Oh yea, that's the way to do it It's the wickie wicked

It's the Satanical, magical, Lil' Rob from the battle I'm coming at you with horns, make you regret I was born And I know you like it like porn, sweep the streets like I'm evil torn And I drop my rhymes like a storm on their brains I take form I just be the baddest you see representing city, it's the invisible Fool you can't see me cuz I be extraordinary And I hold my own manuscript to all of the shit that I kick But ever since I was born I was diagnosed to be sick Whew, oh man take a breather, and one more thing before I leave ya Suprised that I'm back? Of course you where I'm the torturor, Lil' Rob the Mexicano sorceror

Lil' Rob has come to town to see who he could rock He blew away all the crew he faced even when he reached our block He's the wickie wicked
