Whenever I'm in town they treat me like family, I can't forget about my girl named Sandy. "Wh that" my girl from N.Y., Told me whenever I'm in town to swing by. Real love coming from real fans. In every arena they be filling up the stands. They in the airport as soon as my plane lands, I wanna hug them all and kiss every one of their hands.

Naww I'm not a player don't get it twisted baby, I just got love ofr you all beautiful ladies.

Ok, on tour, city to city, Its hard for me to leave cuz they all so pretty, I wish my bus was big enough to bring them all wit me. Exchange phone numbers and tell them all to hit me, But there ain't enough time in the day, for it to go down that way.

Open all my fan mail and read every thing they say, I'll never let you down and in my heart you will stay. Yeah, wherever I'm at wherever I go, Yeah, North, South, East, or west coast Preparing for touring in Tokyo, i got love for the girls, I just want them to know That I appreciate the love you give, you ogt posters on the walls in you crib. Because of you I'm making it in the biz, without ya'll I wouldn't have made it this big.

(Chorus x2)
