

Lil Romeo, Somebody's in Love

(Chorus)

Fun Fun Fun kick the drumstick somebody's in love kick the drumstick Romeo's got a lady his poppa's goin' crazy (repeat)

I still remember when I met her how could her forget it was cold outside I gave her my sweater walk her from school and she wrote a letter that read Romeo lets be friends forever you be my mickey mouse and I'll be your minnie I'm feelin' you even though your feelin' Jenie her name was Keesha she always sat by the teacher a seat away from Teresa and Lisa Pam, was very out spoken in class she was funny she always used to make us laugh Monique, she was always sweet and at recess we all played hide and seek ya heard

(Chorus x2)

I like her dimples the way she sharpens her pencils the way her hair blows when she looks out the window her name's Sonya she got a sister named Lonya they new here they just moved from California look like a popstar can sing like Brittny Spears her bangs stay low in her No Limit Gear I call her Tisha and Tamara's her twin and there's Brandy matter fact she's one of her friends kinda shy come about this high just right I can look in her eyes rolled up in a baby hummer jump this high come on ma lets go for a ride

(Chorus x2)

yo I ain't gotta be away from you, you in the fifth garde I wanna be in that class wit you front like the teacher just to reach you all up in the hall rockin' hundred dollar sneakers you see me in the video,true they play it in the mall yo true tryin' ride shorty lets go I wanna show you where I be at give you what you want thats a fact little free just call me th bomb if you call I'm like the north face moommy I'll keep you warm though I do it hard wit my timberlands on laces untide just my life

(Chorus x2)

(Music Till Fade)
