

Lil' Romeo, Special Girl

Intro: Romeo)

Yo MH

I think we need to let these dudes know

It aint bout just havin a girl

But its about havin dat specia (Intro: Romeo)

Yo MH

I think we need to let these dudes know

It aint bout just havin a girl

But its about havin dat special girl

I mean

Every good doctor has to have some kinda relationship wit his patient

Right

(Hook 1: Marques)

I wanna make u my girl

Shorty aint nothin like u in this world

You so special to me

Right here is where I want u to be, coz you my special girl

(Hook 2: Romeo (Marques))

Cant nobody do me like u do (special girl)

U arrive wit me and Im arrive wit u (special girl)

Cuz in the end its just me and you

You was made for me and I was made for you

(Verse: Romeo)

Now u know Im da thug type chain hang low wit da all white

From the yo but the dude doin all right

Tell pops dont trip you'll be alright

U aint with a lil boy you wit a prince tonight

Ya like fairy tales girl I can be ya knight

Or you can be my Cinderella or my snow white

Your eye candy to the eyes Ive been blessed twice

I got a nice life all I need is a wife

I mean the way you move make me wanna drop the mic

Its just me and you baby we dont need the lights

Im like the doctor baby, I make you feel better

Light skin corn rows it don't get better

The president of Guttar Music so I get cheddar

They on the carpet while we walkin on chinchilla

Them lil rookies tryna holla but you all mine

Drop karats on ya finger make you go line

(Hook 1: Marques)

(Hook 2: Romeo (Marques))

(Verse: Romeo)

Before u got a cat feelin, kinda like Im sittin on a building

Im on cloud nine head hittin all the ceilings

Cant really describe that this feeling that Im gettin

Is something about ya eyes gotta do straight trippin

I heart you they say my pimp game slipin

Its more than them goodies they 6.4 switchin yup

Nice legs and ya backyard's kickin

All the chefs at the do tryna get to the kitchen

But you different I aint worry bout that

You my special girl I gotta tell the world bout that

One wish was the less now you rollin in Lax

Wont stop cant stop see I told you that

You my S.P.E.C.I.A.L.

G.I.R.L. what that spell

You so gutta, but you so good
Lets get away to a cabin in them woods

(Hook 1: Marques)

(Hook 2: Romeo (Marques))

(Verse: Marques)

Tell ya the truth about her
She is my best friend
An no matter what people say she is my girlfriend
No need to let the homies hate, we still gone do our thing
And we gone be together baby
Cause you my ride to die chick
And we gone keep it gangsta till the end
Baby all i need is me an u
Heyy all i need is youu baby
Special girl
You my special girl yeah
Special girl
You my special girl ohh baby
You my special girl yeah oh baby

(Hook 2 x2: Romeo (Marques))
