

Lil Romeo, True Love

True Love Lyrics

My heart won't let you go
I love you Romeo
You my Juliet girl c'mon

(Chorus)

Love has truly been good to me
Not even one sad day or memory
i've had since you come my way
I hope you know i'll gladly go
Anywhere you take me ain't no limit to this love
I'll follow you to the moon and the sky above

RAP 1

The first time i met you
I didn't sweat you
My Juliet i knew that i catch you
Gave you the key to my heart you unlocked it
A perfect match you the plug i'm the socket
As time moved on we became friends
I knew was love at first sight and it wasn't about the dividends
You was there when i needed you
I remember writing letters on the road i wanna be wit you
I know we young and we got time
Little soldiers need love so girl i want to make you mine
We could row together, go to shows together,
my best friend girl lets grow together

(Chorus)

Love has truly been good to me
Not even one sad day or memory
i've had since you come my way
I hope you know i'll gladly go
Anywhere you take me ain't no limit to this love
I'll follow you to the moon and the sky above

RAP 2

We could walk together rode busses together
Ya mom call us killer bees we stuck together
We at parks play hide-go-seek
I find you, or you find me
This was meant to be they call us little one and shorty find us hugged up at
every school party
We study together, balled together, somebody said cupid must've brought us
together
I love your cute eyes and you love my tight braids
Play video games almost everyday and when we not together we on the phone
talkin' 'bout our
first kiss and we don't wanna be alone
