## True Love Lyrics

My heart won't let you go  
I love you Romeo  
You my Juliet girl c'mon

(Chorus)

Love has truly been good to me  
Not even one sad day or memory  
i've had since you come my way  
I hope you know i'll gladly go  
Anywhere you take me ain't no limit to this love  
I'll follow you to the moon and the sky above

RAP 1

The first time i met you  
I didn't sweat you  
My Juliet i knew that i catch you  
Gave you the key to my heart you unlocked it  
A perfect match you the plug i'm the socket  
As time moved on we became friends  
I knew was love at first sight and it wasn't about the dividends  
You was there when i needed you  
I remember writing letters on the road i wanna be wit you  
I know we young and we got time  
Little soldiers need love so girl i want to make you mine  
We could row together, go to shows together,  
my best friend girl lets grow together

(Chorus)

Love has truly been good to me  
Not even one sad day or memory  
i've had since you come my way  
I hope you know i'll gladly go  
Anywhere you take me ain't no limit to this love  
I'll follow you to the moon and the sky above

RAP 2

We could walk together rode busses together  
Ya mom call us killer bees we stuck together  
We at parks play hide-go-seek  
I find you, or you find me  
This was meant to be they call us little one and shorty find us hugged up at  
every school party  
We study together, balled together, somebody said cupid must've brought us  
together  
I love your cute eyes and you love my tight braids  
Play video games almost everyday and when we not together we on the phone  
talkin' 'bout our  
first kiss and we don't wanna be alone

(chorus 2)

Love has truly(the one you make me feel it's gotta be true love) been good to
