

Lil Silva, Don't You Love (feat. Banks)

Don't you, don't you love?
Don't you, don't you love?
Don't you, don't you love?
Don't you, don't you love?
So don't you love?
So don't you love?
So don't you love?
Don't you love?
(So don't you love?)
(So don't you love?)
(So don't you love?)
(So don't you love?)
Say you love me today
Say you love me, love me
Say you lined out the way
Lined out the way for me
Say you love me today
Say love me, you love
Say you lined out the way
Lined out the way for me
(So don't you love?)
(So don't you love?)
(So don't you love?)
(So don't you love?)
Help (help, help)
Help (help, help)
Help (help, help)
Help (help, help)
Don't you love?
So don't you love?
So don't you love?
So don't you love?
