

# Lil Suzy, I Still Love You

I still love you  
I still love you

You don't know what has become of me  
My dreams of you are my only company  
I just can't make it without you baby  
Cause I really want to say  
I should have never thrown our love away  
I call your name in the night  
Going crazy baby baby baby

\*~\*CHORUS\*~\*

I wrote this letter cause I wanted to see  
If there was a chance that you still loved me  
Cause after all this time  
I still love you  
I guess this must come as a big surprise  
But I need to look right into your eyes  
And tell you one more time  
I still love you

I watch the time just pass me by  
All that I can do is just wonder why  
Why are you not here with me now baby  
Cause I really want you to know  
That I was a fool to let you go  
I'll take my time for my crime  
Won't you come back baby baby baby

\*~\*CHORUS (2X)\*~\*
