

Lil Suzy, Real Love

Verse 1

Baby, when we met
Thought it was a dream
You came in my life
And gave me everything

I FELL so hard
you were the one
How could I know
It was just for fun?

Now here I am
My heart is broke
Was our romance
some kind of joke?

You can laugh
Boy you'll see
You'll never get real love
AGAIN from me

(Chorus)

Real love for me
Was FALLING INTO YOU
You played your games
And broke my heart in two
You can laugh
BUT Boy you gonna see
You'll never get
Real love AGAIN from me

Verse 2

Baby, if you think
I'm still in love with you
Better think again
Boy, it just ain't true

You hurt me bad
I wanted more
I was just a number
You were keeping score

Now here I am
My heart is broke
To you my love
Was just a joke

I'm laughing now
The joke's on you
Cuz this time, boy
YOUR LOVE AIN'T TRUE

(Chorus 2x)

(Real love 18x)

(Chorus 2x)
