

# Lil Suzy, Someone For Me

Have you ever been  
in a crowded room  
and felt alone in time  
well, I have  
and I can tell you  
how it feels  
'cause sometimes it's hard to hide

there are times when you need someone  
to share the good and bad times with  
to show you they care  
what would use it  
to have it all  
without someone to share it with  
it doesn't mean a thing

Chorus:

I know somewhere  
the light of love is shining bright for me  
and there will be  
someone for me  
my light is shining all the wind appear  
and there will be  
someone for me

Believe me  
I'll find the man of my dreams  
to take me away from here  
to a place  
where we can make our dreams come true  
sometimes it seems so near

there are times when you need someone  
to share the good and bad times with  
when nobody cares  
what would use it  
to have it all  
without someone to share your live  
it doesn't mean a thing

Chorus

Wherever you maybe  
I'm reaching out to find you  
an when I do  
I'll never let you go  
We'll share eternity

Chorus
