

Lil Tjay, Calling My Phone (feat. 6LACK)

Steady callin' my phone
I done told you before
That's it's over
Leave me alone
Know it's hurtin'
You see me gone
Dark clouds
You gon' see me storm

I won't go back
But trust me
You're gon' hold that
Hold that
Mm, mm

Get you off my mind now
I can't Get you off my mind now
I can't Get you off my mind now
I can't Get you off my mind now
I can't Get you off my mind now
I can't Get you off my mind now
I can't Get you off my mind now
I can't Get you off my mind now

I ain't tryna play tehse game no more
I don't wanna be textin' your name no more
